

Complete Your In-Person Financial Wellness: Now Online-Due April 15th

In order to ensure the safety of both students and staff members, all remaining **part 2** - STEP financial coaching appointments will be transitioned to a digital webinar pre-recorded by the Student Life Student Wellness Center's Scarlet and Gray Financial staff. The webinar covers the most common topics from one-on-one appointments. Students may access the pre-recorded webinar anytime between the dates of March 18th and April 1st from any location. **Both part 1 and part 2 of the financial wellness requirement must be completed by 11:59PM on April 15th.**

Along with viewing the webinar, students must complete a reflection on a provided webform and submit a personal budget developed during the webinar. The personal budget template is attached to this email and available along with the links to the webinar and reflection form on the website below:

<https://swc.osu.edu/services/financial-education/step-financial-webinar/>

Scarlet and Gray Financial staff will update the STEP Dashboard on Tuesdays and Thursdays to reflect the completion of this requirement. If at the end of the webinar students have additional questions or concerns, students will have the option to schedule a digital one-on-one meeting via zoom with a financial coach.

If you have not yet completed **part 1** of the financial wellness component, you can access the instructions at:
