

The Ohio State University

STEP

Second-year Transformational
Experience Program

EXPO

February 20, 2019 | Ohio Union

Archie M. Griffin Grand Ballroom

10:00 – 11:00 a.m. | 2:00 - 3:00 p.m.

3:30 – 4:30 p.m. | 5:00 – 6:00 p.m.

Welcome to the Spring 2019 Second-year Transformational Experience Program (STEP) Expo

A partnership between the Office of Academic Affairs and the Office of Student Life, STEP focuses on both student engagement and student development in an effort to enhance second-year success. Through interaction with faculty mentors, students have the opportunity to engage in a transformational experience and are exposed to activities designed to enhance personal, professional and academic success. Building upon key components of second-year success, students live on campus, participate in key co-curricular programs and activities, learn through peer interaction, and are guided by faculty mentors.

Created as an extension of Ohio State's commitment to the student experience, STEP provides an opportunity for education beyond the classroom. Through collaboration with faculty mentors, students develop proposals to engage in a transformational experience in one of six core areas (internships, leadership, education abroad, service-learning, undergraduate research, or artistic and creative endeavors). As a result, students gain greater self-awareness, explore educational interests and further develop career goals and aspirations.

The STEP Expo provides an opportunity for STEP students to showcase their accomplishments and reflect upon the impact of their STEP experience.

We hope you enjoy interacting with Ohio State's STEP students and take time to learn more about the impact STEP has had on their personal growth and academic success.

Javaune Adams-Gaston, PhD

THE SECOND-YEAR TRANSFORMATIONAL EXPERIENCE PROGRAM (STEP)

is an innovative program designed to enhance Ohio State students' experience and success. STEP offers participating students direct access and connection to a select group of faculty members who are fully committed to student success, engagement and development. In addition to this deep level of faculty interaction, students have access to hundreds of co-curricular programs, including financial literacy training.

To learn more about the program, including how to get involved, please visit step.osu.edu or email us at step@osu.edu
